Explanatory Notes

- (1) (i) For a claim made on the ground of death, only a personal representative within the meaning of the Probate and Administration Ordinance (Cap. 10) or any other person specified in the governing rules of the scheme can be the claimant to act on behalf of the deceased scheme member to claim for withdrawal of the scheme member's minimum MPF benefits. If there is more than one personal representative or specified person and the personal representatives or specified persons have not authorized one of them to act on behalf of others to lodge the claim, all the personal representatives or specified persons should submit the Claim Form jointly. Please use an additional blank sheet to provide details of the claimants under Section B. Under such circumstances, this Form needs to be signed by all of the personal representatives or specified persons.
- (ii) For a claim made on all other grounds, either the scheme member or person(s) appointed as a committee of the estate of a mentally incapacitated person under the Mental Health Ordinance (Cap. 136) ("the committee of the estate") to act on behalf of the scheme member can be the claimant to lodge the claim for payment of minimum MPF benefits. If there is more than one person appointed by the court as the committee of the estate, those persons should apply and sign in the capacity as the committee of the estate in accordance with those terms of appointment and any other requirements contained in the relevant court order. Please use an additional blank sheet to provide details of the claimants under Section B. Under such circumstances, this Form needs to be signed by all the persons appointed by the court as the committee of the estate, unless the Court authorizes otherwise.
- (2) Claimants/scheme members should give their passport numbers ONLY when they do NOT possess HKID cards.
- (3) A scheme member who does not have the month and/or day of birth printed on the HKID card may provide evidence as to the month and/or day by using one of the following methods for the purpose of withdrawal of minimum MPF benefits on the ground of retirement/early retirement:
- (i) using the birth date as shown on an official document (e.g. a travel document or a statutory declaration of the scheme member's date of birth); or
- (ii) using the day and month of the issue date of the HKID card of the scheme member.
- If the scheme member has not used either of the two methods above to provide evidence as to the month and day, then in the absence of any other evidence, the trustee should, where the HKID card shows only the year and month of birth (and not the day of birth) use the last day of the month, and where the HKID card shows only the year of birth (and neither the month nor day of birth), use the last day of the year as shown on the HKID card as the birth date of the scheme member.
- (4) For a claim made by a scheme member for payment of minimum MPF benefits from an account on the ground of terminal illness, the scheme member may continue his current employment after he has withdrawn the minimum MPF benefits. In that case, future contributions made by the employer (both employer and employee portions) will continue to be made to that account. If the scheme member wishes to withdraw the minimum MPF benefits derived from future contributions and transfer-in benefits (if any) in that account again, he should lodge another claim for withdrawal of minimum MPF benefits.
- (5) For a claim made by the committee of the estate on behalf of the scheme member, in addition to the required documents in respect of the scheme member, the following documents should be enclosed:
- (i) a copy of the evidence of the status of the committee of the estate, i.e. court order;
- (ii) a copy of each claimant's HKID card for verification of the name and identity card number of the claimant if the claimant does not wish to present the card in person for verification ^{Note 7};
- (iii) the original statutory declaration form made by the committee of the estate for claim for withdrawal of minimum MPF benefits (Form MMB - W(SD3))^{Note 8} (if applicable). Where such a statutory declaration has been made and enclosed with the claim, the statutory declaration form (Forms MMB - W(SD1) and MMB - W(SD2)) for claims made on the grounds of early retirement and permanent departure from Hong Kong respectively shall not be required.
- (6) In processing a claim for withdrawal, the trustee of an MPF exempted ORSO registered scheme may request the claimant to produce the original copies of the documents for checking purpose, if necessary.
- (7) For a claimant/scheme member who does NOT possess a HKID card, a copy of the passport (only pages with personal particulars and passport number) should be given to the trustee concerned for verification of the name and passport number of the claimant/scheme member if the claimant/scheme member does not wish to present the passport in person for verification.
